

# Evolve Your Edge

Understand your industry trends to create your data-driven advantage.

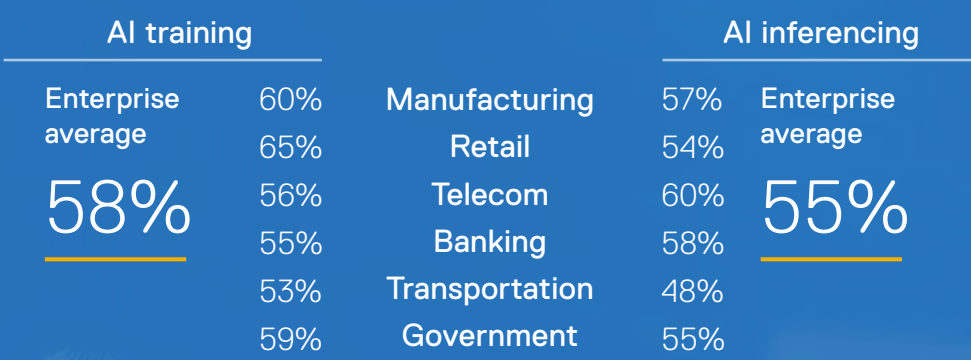

## Edge compute is growing significantly.

What percent of infrastructure is deployed at the edge?

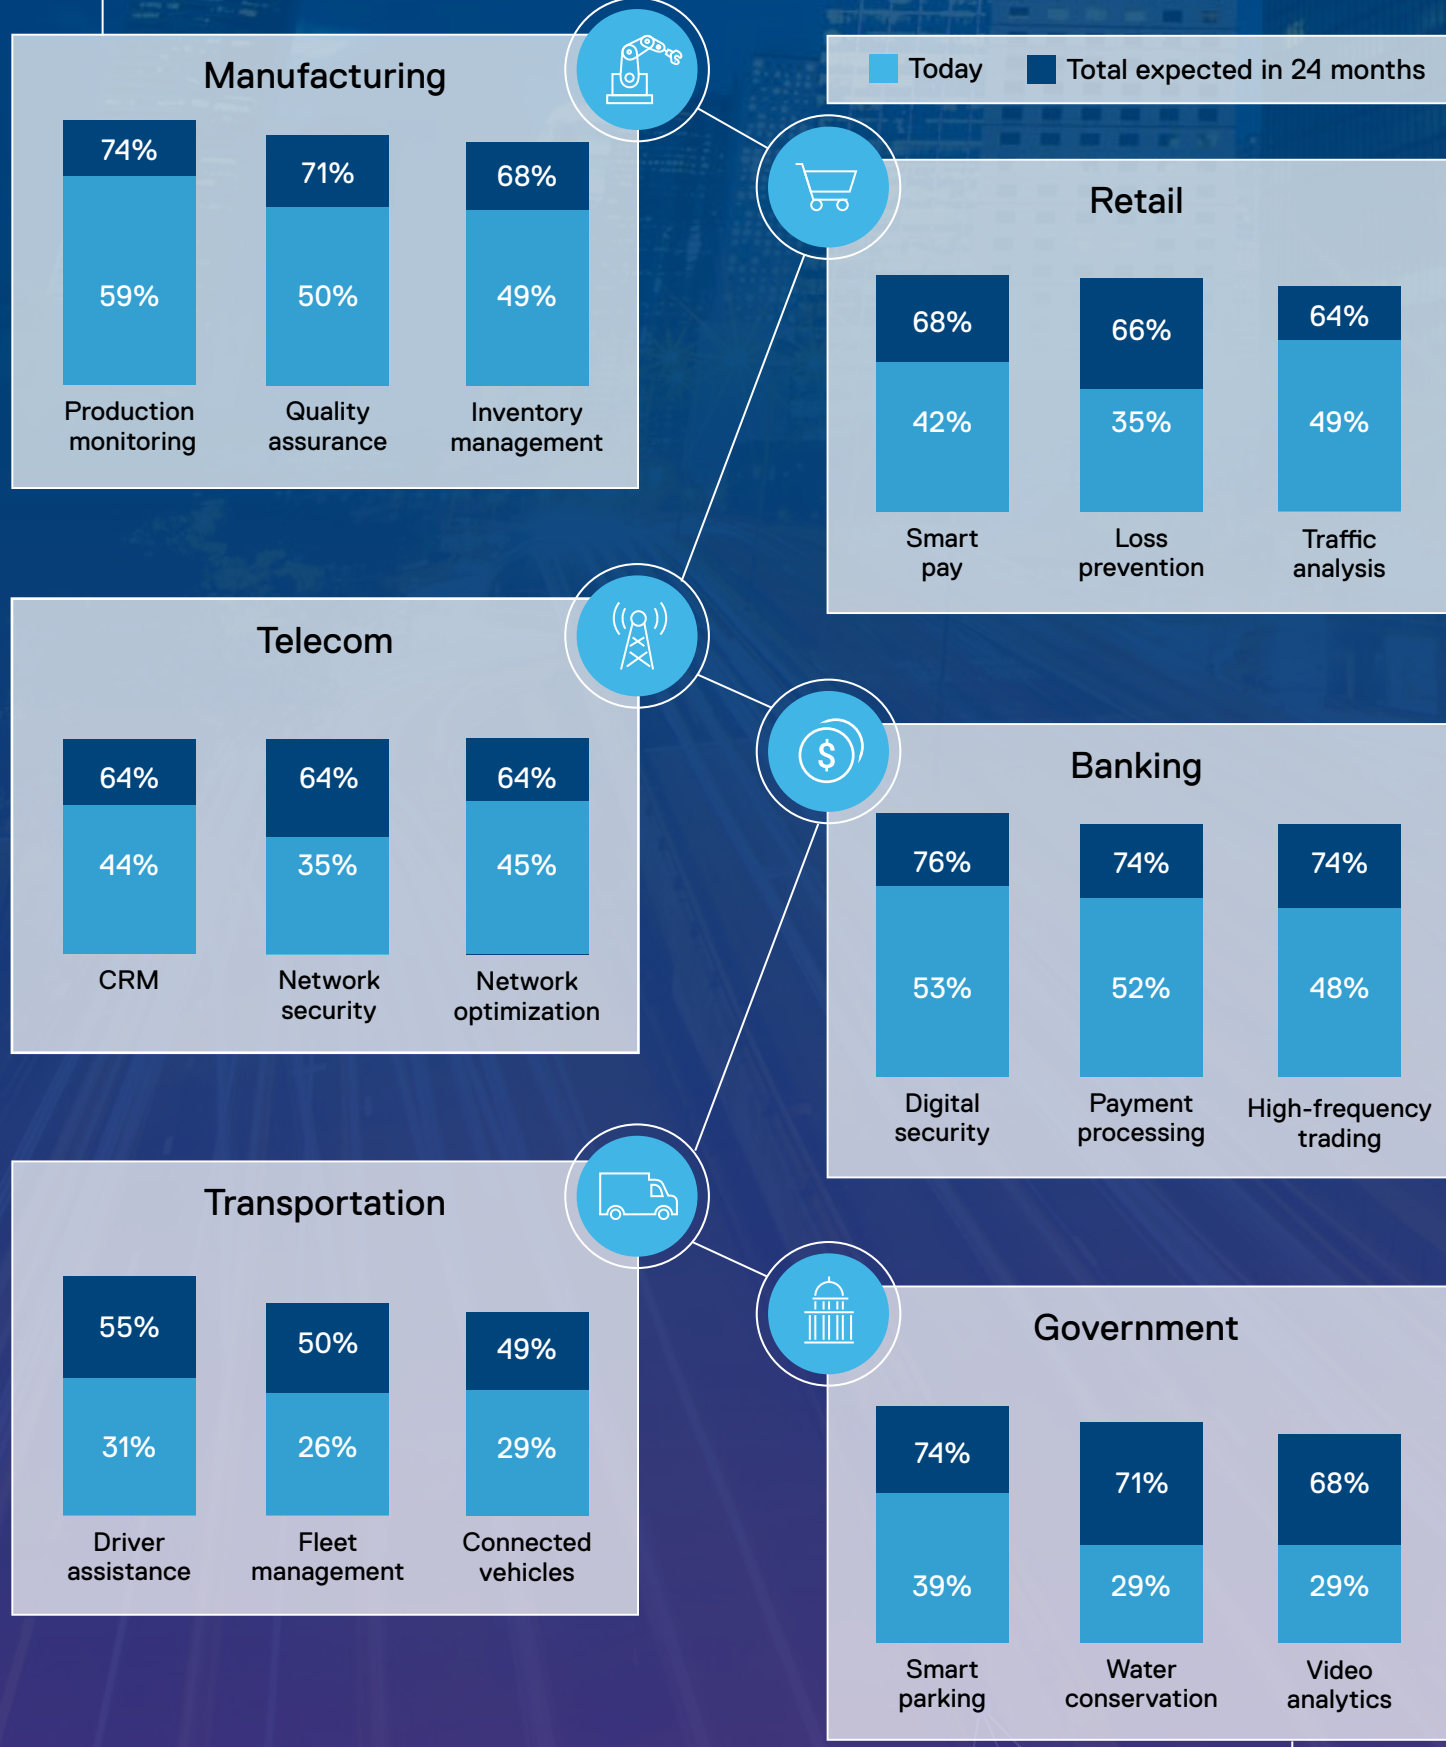

## Rapid analytics powers edge insights.

Edge analytics are more than simple triggers and alarms.

## Top use cases for edge by industry

Current and planned adoption by industry

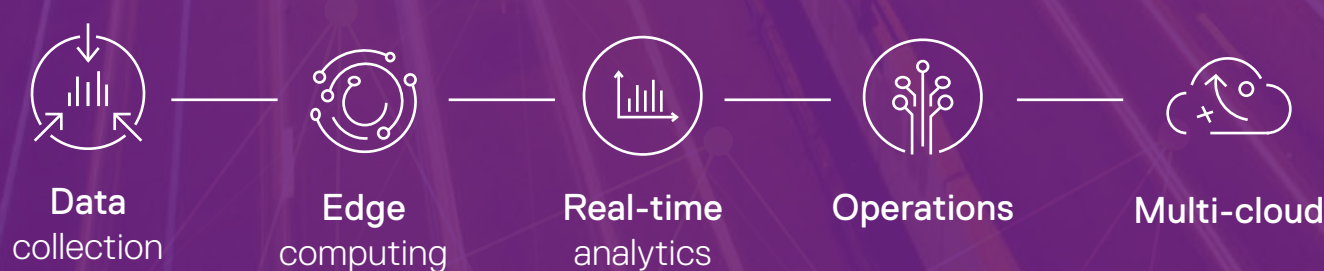

## The edge doesn't have to be complex.

Simplify your edge to:

- **Generate** insights where you need them.
- **Consolidate** your workloads as you expand your edge.
- **Extend** intrinsic security across all levels from the edge to multi-cloud.

Dell Technologies covers the complete edge-to-cloud data lifecycle with a broad portfolio of proven edge solutions

## Simplify your edge.

Learn how to leverage data everywhere with Dell Technologies.
